Kapitel 7: Twilight

(u)Twilight(u/)

I'm neither the light nor the darkness
I'm neither the warmth nor the coldness
I'm neither the love nor the hatred
However I'm, however I'm...

Have the eyes of the birds
Have the reflexs of the cats
Have the cunning of the snakes
But I'm not an animal
But I'm, but I'm...

Chorus:
Twilight
I'm nothing 'n' however so much
Twilight
You can't catch me. You can't hold me.
What ever you do, you will never have me
Twilight

Neither be brave nor be timid
Have the feathers of the ravens
But I can't fly
It doesn't give a discription for me
Though I'm, though I'm...

I have all 'n' however I'm not all
You think you have me?
You err - I have you
'Course I'm, 'course I'm...
